The background is a collage of anime-style illustrations. In the top left, there's a portrait of a girl with long, wavy brown hair and a gentle smile. In the center, a boy with spiky black hair and a white shirt is shown from the chest up, looking towards the right. To his right, a girl with long black hair is depicted in a dynamic, almost dancing pose, wearing a white top and a long, flowing pink skirt. In the bottom right, there's a circular inset showing a girl with long black hair, looking down with a slight smile. The overall aesthetic is soft and romantic, typical of shounen-ai manga.

What do  
you mean  
by that?

**A  
BOY**

Has  
been  
living  
a carefree  
life  
all this  
time...

or  
not  
at...

...until  
he  
meets  
this  
guy—

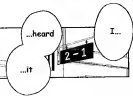

Huh?

Would  
you  
be  
mine?

YOU'VE  
GOTTA  
BE  
KIDDING  
ME!!

...heard

I...

...it

2-1

It's been spread around school, ya know

No way!

Ah, Hina?

Tomo

Yoshida's confession

Yes surprised me

Who's Yoshida?

Did ya hit Yoshida-kun too?

Nope. He's famous?

Yoshida from the 9th grade. Ya really don't know?

The person Tomo hit by the gate this morning

He's good-looking, smart and has a great body, all in one!

VERY, VERY FAMOUS!

In this school Yoshida Gihira shouldn't be someone you don't know of

Is that so?

So that's why the girls in our class are sending me this murderous vibes...

But Yashida-kun... He doesn't have a special girlfriend

He's also good in sports.

In other word, he's perfect!

But he's very quiet and mysterious

All the girls in school thinks that he's "The Number One Most Wanted Boyfriend", ya know

\*bishoujo: an extremely beautiful woman

He was seriously beaten... - pollara -

The first  
one was  
back in  
my  
kindergarten  
time...

This  
is slowly  
turning  
into  
a  
disaster

This  
confession  
from a guy  
thing...  
How many  
times  
already...

I  
I love  
you  
Tama-chan

Either then  
or now,  
they  
happened  
because of  
this girly  
face!!

Every year in  
ban obori\*  
festival in  
town, I had to  
dance on the  
stage while  
the grannies  
were dancing  
around me...

When I was  
a kid, I  
used to  
have a rep-  
utation as a  
be-skimp  
among the  
neighbors

Shame  
on you,  
mom...

mom had  
always  
wanted  
a daughter  
so bad

But we  
don't know  
what you...

Don't  
blame  
me for  
what you...

Our little  
brother

He is!

Look! Look!  
I thought  
those  
dolls  
dressed  
for our  
little girl

Now  
that  
I  
think  
of it,

I've  
finally  
felt  
secure  
with  
my  
self...

After  
16  
years,

If you  
can see  
me and  
you can  
see me  
and you  
can see  
me and  
you can  
see me

You  
sounded

How  
can you  
speak

Because of  
it, I had to  
train my  
guts and  
self-confi-  
dent by  
being a bully

"is dying"

UGH!

so  
I  
thought  
I  
have

I  
thought  
I was  
gonna  
die

That  
surprised  
me!

Are  
you  
hurt?

It's  
him!

No...

I think...

He's  
really  
the guy  
from  
before...

Yoshida...

The  
bruise...

...from  
this  
morning...

Get  
your  
hands  
off  
me!!

A S A K A W A . . .

He's  
really...

A  
hunk...

...but  
there's  
no way  
in hell  
I'm  
gonna  
be  
yours!

Asakawa...  
Someone's  
looking  
for  
you

If that  
guy  
does  
anything  
weird,

I'll  
kick  
him  
out

I thought  
of going to  
someplace  
else,  
but god knows  
what he'll do  
again.  
So I guess  
it's better  
to just go  
to my place.

Besides

When I saw  
him at noon,  
I thought it  
would take  
another day  
to heal...

You  
live  
alone?

That guy...

...the bruise  
on his lips  
disap-  
peared?

I still  
have  
this  
strange  
feeling  
from  
before...

if that is payback for before, it let him square on the face

Unlike what you've seen in books or movies, we don't transform and won't die from being exposed to sunlight.

My family come from that origin. My mother was an ordinary person, but my father had always been related to blood.

But...

Do you have to drink the pure blood of pretty girls every night too?

If you don't drink human blood, won't you dry out and die?

...hobbits never changes

I'm still not a full-plugged vampire yet...

That's why...

No, it's not like that

We can't stop drinking human blood...

I  
can't  
just  
drink  
anyone's  
blood...

That  
blood  
thing...

...if you  
don't  
drink it,  
then  
what'll  
happen?

I'll turn into  
a mindless  
monster  
wandering  
around  
to fulfil his  
thirst of  
blood  
for good...

We  
vampires  
are bound by  
the pact of  
blood  
to a single  
human being  
for the rest  
of our lives.  
So it's not really  
just living off  
someone  
else's  
blood...

If my  
time is due,  
I'll be  
needing  
blood con-  
stantly.

The thirst  
of it will  
drag me down.  
My real  
hideous face  
will show...  
I won't be able  
to stop myself...

I'll  
soon  
run out  
the time  
to do  
my own  
blood-  
binding

T o m p k i

NoNo  
NoNo  
NoNo  
NoNo...  
**NO  
WAAY!!**

That  
thing  
you, sucking  
my blood and  
stuff isn't  
happening!  
Why must  
it be me?  
I don't  
get it!

I  
don't  
know  
either

I  
chose  
you  
by  
instinct  
...

But  
as to  
why...

Tomoki,  
I  
want  
you  
to be  
my  
blood-bound  
partner..

## Editor's Note

No, don't worry, I'm not taking up any space of the manga here. This is a space for ads of other mangas that aren't related to WILD KISS. So, letting use it for a bit! =)

So, WILD KISS! When Magami told me about this manga and said that Yoshida looks a lot like Honekimi's Unedo, I was all hyped up to see it. And here we are, doing its scanlation. Hehehe... This is our tribute for Nakaya-sensei, whose marvellous works (and gorgeous guys) have enthralled us both. Is doing scanlations paying a tribute to the original author? Err... Okay, people, go and buy the original work! It's Nakaya-sensei! It totally warms it! Anyway... what I love about Wild Kiss is how Nakaya-sensei inserted some yaoi hints that are less-subtle than those in Honekimi. It's really looking forward to her other yaoi-themed works. I hope she'll make more of them!

Right now, this shop and the house next door is connected, but before, they were separated

You can get here from that house. And all this time, Tomo's always been living there

we're taken  
neighbors  
since  
we were  
born

I got the feeling Yashidaku wants to know

Eh?

You don't know? You see, actually...

Why? Ah

But now he lives alone on his own...

Why are you talking about other people's household?

Sorry

HEY!
